## ADDITIONAL DISCLOSURES

In addition to the information provided above, the following terms apply to the **ICICI Bank Canada Credit Card** (the "Card").

Payments will only be accepted in Canadian dollars.

**Eligibility:** At all times while you hold the Card, you must reside in Canada, but must not be a Quebec resident. You must notify us immediately through our Customer Contact Centre or at a Branch if you change your address. If you become a Quebec resident, your account and Card will be cancelled on the date that you become a Quebec resident but you will remain responsible for all outstanding payments and charges.

**Security Interest:** If your Card is a secured card, then you have signed a Secured Pledge Agreement identifying a Guaranteed Investment Certificate held with us which, together with all proceeds thereof, and any successor account to which the balance may be transferred will serve as collateral security for the due payment of any outstanding amounts under your secured card account.

**Interest and Grace Periods:** A 21-day Interest-free Grace Period is applicable to new purchases including each monthly instalment payment due under any Instalment Purchase Plan ("New Purchases"). As such, we won't charge interest on New Purchases that appear for the first time on your current account statement as long as we receive payment of the full balance due on your current account statement on or before the payment due date.

If you pay an amount that is less than your balance shown on your current account statement, then we will charge interest on the New Purchases representing the unpaid portion of the balance starting from their transaction date (for purchases that are not Instalment Purchase Plans) and from the date the outstanding instalment was posted to your credit card account (for Instalment Purchase Plans) and, in each case, interest will be charged from that date, as applicable, until we receive full payment for the total amount you owe.

For Special Purchase Plans, please refer to the Instalment Purchase Plan section in the information box above for information regarding when interest is charged if you miss 2 (two) consecutive minimum monthly payments and refer to the Deferred Payment Purchase Plan section in the information box above for information regarding the interest that applies, and details regarding when interest is charged in relation to Deferred Payment Purchase Plans.

There is no Interest-free Grace Period on cash advances. Interest charges on cash advances are assessed from the date the cash advance is made until we receive full payment for the total amount you owe. We do not charge interest on interest or on fees.

**Statements:** You will receive a statement of account on a monthly basis as long as there is activity on your account or you have an outstanding balance during the previous statement period.

**Lost and Stolen Cards:** You must contact us immediately if your Card, including your account number and PIN or any Account Access Cheque, is lost or stolen. As a Visa cardholder, you will benefit from the Visa Zero Liability Policy (available on the Visa website) in the event of unauthorized use on your account. Further, informing us right away will help to prevent unauthorized use on your Card. If our investigation establishes that there was no unauthorized use of your account, Card, PIN, or Account Access Cheque, you will be fully liable for all transactions that took place before you notified us. Please see the "Liability for Loss" section of the Agreement for more information.

**Cost and Expenses:** In the event of any default, including if you fail to make a payment when it becomes due or fail to comply with an obligation under the Agreement, in addition to any outstanding amount and interest, you will be responsible for the following

- (a) court ordered costs incurred in collecting or attempting to collect a debt; and
- (b) reasonable charges in respect of costs, including legal costs, incurred in realizing a security interest or protecting the subject matter of a security interest after default

**Prepayment:** You are entitled to prepay the full outstanding balance at any time without any prepayment charge or penalty.

**Recording and Monitoring Communication:** You agree that all telephone calls, electronic and other correspondence and communication may be recorded and/or monitored by the Bank and used for mutual protection, to enhance and maintain customer service, to provide education and training, for record keeping, and/or to confirm our discussions with you.

**Rewards:** You will receive ICICI Bank Cash Back Rewards for all net purchases on your account, other than on purchases made through a Special Purchase Plan, as long as your account is in good standing at the time the purchase is posted to your account. ICICI Bank Cash Back Rewards will not be earned on cash advances, refunds, Card fees, service/transaction charges or interest charges. You can choose one of three categories (Gas & Groceries, Entertainment or Travel) for which to earn additional Cash Back Rewards. The chosen category can be changed every six months by calling our 24-hour Customer Contact Centre.
